

# SHARAD PAWAR

## International School

### Visitors Book

01-06-07

*I am very happy to visit the Sharad Pawar International School, Pune. Seeing is believing. I am amazed at the vision of Dada Dr. D Y Patil to create such renowned temples of learning in a uniquely natural surroundings. The atmosphere for children to grow educationally and spiritually is perhaps the best and I hope I can come to this campus more often to enjoy the students company. My good wishes for exemplary growth of this institution.*
