

SHARAD PAWAR

International School

Visitors Book

22-09-07

It was a feast to mind and heart to see such a magnificent infrastructure and underlying vision of Dr. D Y Patil which is being diligently carried forward by energetic, young Mr. Ajeenkya D Patil, supported by an experienced Principal Mr. Rao. The school is evolving to position itself as a centre of allround development of young minds.

I wish the school a grand success.
